IN RECOGNITION OF JEANETTE
HUTCHINSON**HON. PHIL GINGREY**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 5, 2012

Mr. GINGREY of Georgia. Mr. Speaker, I stand before you today to recognize the retirement of a wonderful woman and true champion of constituent service, Jeanette Hutchinson. For more than 30 years, Jeanette Hutchinson has worked tirelessly assisting constituents from both Georgia and Iowa. As many of you know, we would not be able to accomplish nearly half as much as we do without the help of our congressional staff—especially employees like Jeanette. Her career in constituent services spans 2 states and includes three Congressmen, two Senators, and thousands of grateful constituents.

Jeanette launched her congressional career in the Hawkeye State with the offices of Congressman Cooper Evans and Senator CHUCK GRASSLEY. Following years of service to the people of Iowa, Jeanette moved to Atlanta and began serving the people of Georgia with Senator Paul Coverdell's office. Former Congressman Bob Barr claims he "stole" Jeanette from Senator Coverdell's office in 1995, and upon his retirement I was fortunate to have Jeanette join my staff. For the past 10 years, Jeanette thoroughly managed my constituent case work and my case work staff.

Jeanette's job is not for the light hearted. It requires great attention to detail, an immeasurable amount of patience, and the determination to cut through bureaucratic red tape. But this did not dissuade Jeanette. She approached each constituent case as if it were her own, providing Georgians with service that was second to none. Whatever the case may be, Jeanette knows who to ask for, which form to complete, and each deadline she must comply with. I doubt there is a government agency Jeanette has not called.

Public service has always been a staple in Jeanette's life. Her late husband, Thomas Sellner, to whom she was married for 28 years, served our country as a pilot for the

U.S. Navy. Jeanette and Thomas raised six children together, and as many selfless military families do, lived in numerous States and foreign countries fighting for our freedoms. Her ability to adapt to different environments and handle a variety of situations with ease has been reflected throughout her career. Following the loss of her husband, Jeanette wed Marion Hutchinson and began her congressional career.

Jeanette has been an instrumental member of my staff and we will miss her dearly. Mr. Speaker, I wish Jeanette Hutchinson the best of luck in her retirement and thank her for her hard work over her extensive career.

HONORING SHERIFF DWIGHT E.
RADCLIFF**HON. STEVE AUSTRIA**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 5, 2012

Mr. AUSTRIA. Mr. Speaker, I rise today to recognize Sheriff Dwight E. Radcliff on the celebration of his retirement and for his outstanding years of service to Pickaway County and the state of Ohio.

It is an honor to congratulate Sheriff Radcliff on this momentous occasion as the longest-serving sheriff in the United States of America. Serving as Pickaway County Sheriff since 1965, Radcliff has been committed to the citizens of Pickaway County by protecting life and property, preventing and solving crime and responding to all requests for assistance.

Following in his father's footsteps, Radcliff became the second Radcliff to be sheriff for Pickaway County and the family name has held the position for 66 of the past 70 years. Over the past several decades, Radcliff has had trying and memorable moments—living in the county jail with his family to apprehending the rarest of criminals. Because of his great dedication and reputation for law enforcement, Pickaway County is also referred to as "Putaway Pickaway" by local and state-wide residents.

Beyond his commitment to public service, Radcliff is the husband of 51 years to Betty, the father of 3 and grandfather of 8.

Thus, I join the people of Ohio's Seventh Congressional District in congratulating and honoring Sheriff Dwight E. Radcliff for his many years of dedication and exemplary service to Pickaway County and the state of Ohio, and extend best wishes to he and his family for much success in the future.

CONGRATULATING DR. MICHAEL S.
GORDON, M.D., PH.D. ON HIS RE-
TIREMENT**HON. DANIEL WEBSTER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 5, 2012

Mr. WEBSTER. Mr. Speaker, I am pleased to take this opportunity to recognize a close friend of mine and a highly accomplished leader in American medical education. Dr. Michael S. Gordon, M.D., Ph.D. is the founder and Professor Emeritus at the Gordon Center for Research in Medical Education and is a Pro-

fessor of Cardiology at the University of Miami's Miller School of Medicine.

Known internationally for his pioneering work in medical simulation, Dr. Gordon has dedicated his life's work to incorporating advanced technology and simulation into medical education. In 1968, Dr. Gordon presented to the medical community a simulator known as "Harvey." Harvey is a Cardiopulmonary Patient Simulator, a life-sized mannequin able to simulate venous, carotid, and precordial pulsations as well as heart sounds of 27 different cardiac diseases. Since Harvey's introduction in 1968, he has been used to effectively train medical students worldwide and is currently used in over 300 medical schools.

In 2007, the University of Miami established the state-of-the-art Michael S. Gordon Center for Research in Medical Education (GCRME) with the mission of developing training curricula for health professionals, applying advanced technology to medical education, and serving as a resource for medical centers in Florida and throughout the world. GCRME is today the home of an "All-New Harvey," capable of simulating additional diseases and conditions and possessing the ability to talk.

Under Dr. Gordon's leadership, curricula and instructional materials developed by the GCRME are in use in over 1,800 medical centers and agencies worldwide. For over 40 years, the center has pioneered and pursued the center's mission statement: "Saving Lives Through Simulation Technology." They have accomplished this through their dedication to incorporating simulation and technology into medical education.

American medicine and the University of Miami are fortunate to have such dedicated and innovative medical professionals and educators as Dr. Gordon. His commitment to excellence, leadership and service is to be admired, and may it inspire others to follow in his footsteps.

THANKING TAIWAN FOR RELIEF
FUNDS DONATED TOWARD RE-
COVERY AFTER SUPERSTORM
SANDY**HON. CAROLYN MCCARTHY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 5, 2012

Mrs. MCCARTHY of New York. Mr. Speaker, I wish to extend my sincere gratitude for the relief funds donated by Taiwan which have been designated to aid in the United States' recovery after Superstorm Sandy. This generous donation comes at a time when collaboration and unity among people is the most important step toward recovery, and it is humbling to witness a global effort for relief.

As my colleagues may know, many citizens, including many of my own constituents in Long Island, are still struggling to rebuild their lives after the devastation caused by Superstorm Sandy. The aid offered by Taiwan will directly assist in repairing the coastal region and our nation, both in short term and long term efforts. From a pledge of \$1.3 million, \$100,000 will be given to New York City, New York State and New Jersey each. The additional \$1 million will be split between Washington charities the United Way and Habitat for Humanity, which have been working tirelessly to aid and rebuild the hardest hit areas.
